VISIT THE ROUTE THROUGHOUT THE YEAR

Every year during the annual Fragrance Fest on the last Saturday of February, all participating venues open their doors. During the rest of the year venues on the Fragrance Route can be visited **BY APPOINTMENT ONLY** – see contact details on the map above. On www.proemb.co.za you will find a printable *Friemersheim DIY Walk/Drive* map with additional contact details.

The various venues, best accessed from Great Brak River, are situated on (or just off) a circular tar/gravel road of about 40 km measured from the N2. From the N2 take the Great Brak River turn-off into Long Street (turn right if coming from George, left if coming from Mossel Bay). Turn left at the church into Amy Searle Street (just before the bridge across the river), and continue up past Greenhaven towards Friemersheim.
